## Entries now open!

We want you to share your perfect three course menu with us; a cold starter, a hot main course based on using our wonderful 'Farm Assured' Cornish Coastal Lamb, and your very best cold dessert. Write down your menu on the reverse of this entry form (you may use a separate piece of paper and attach some photos if you wish), complete your details and return the form as detailed overleaf.

From the paper entries received, our judges will pick three finalists who will be invited to cook their hot main course

LIVE under their watchful eyes on the final day of the festival. Your cold starters and desserts may be brought finished and ready to plate.

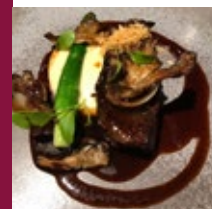

**The final will take place from 1pm at the Leamington Food Festival Sunday 10 September.**

So, if you're free Sunday 10 September, 2017 take the challenge! Share your favourite home menu with us and you could be cooking live on the stage at this year's Leamington Food Festival.

## Fantastic Prizes!

Home Cook of the Year 2016 Winner, Michael Abell, not only walked away with dinner for two at Michelin starred Simpsons Restaurant, but also enjoyed an overnight stay and was subsequently invited by executive chef Luke Tipping to support his kitchen brigade for a 14 hour shift!

A unique experience and a fascinating insight for any cook.
